

# Budget

and quality sound united: welcome the OVO-speakers. This series of cabinet speakers fits into any décor or interior style. They are available in low-impedance as well as in 100 Volt. The included bracket allows flexible positioning, while the sturdy ABS plastic housing and rust free aluminum grill guarantee years of trouble free musical enjoyment. Affordable, but by no means a compromise on sound quality - typically APart!

- Remarkable quality sound and extremely affordable
- ABS plastic housing + corrosion free aluminum grill
- Available in low impedance or in 100 Volt
- Mounting bracket that allows tilting and turning (included)
