

Dimming Super Bright LED&SMD Panel Light

LS-LEDPANEL-600x600-W

Super bright LED panel light, size is 600*600mm, white, input voltage:100V-240V/50Hz/60Hz, LED quantity: 900 pcs of super bright LED, 120 degree light angle, lumen:3600lm, Color temperature: 6000-6500K, **56W** life: 100000 hours
[with wireless remote dimmer control](#)

LS-LEDPANEL-600x600-WW

Super bright LED panel light, size is 600*600mm, white, input voltage:100V-240V/50Hz/60Hz, LED quantity: 900 pcs of super bright LED, 120 degree light angle, lumen:3400lm, Color temperature: 2700-3300K, **56W** life: 100000 hours
[with wireless remote dimmer control](#)

LS-LEDPANEL-300x600-W

Super bright LED panel light, size is 600*600mm, white, input voltage:100V-240V/50Hz/60Hz, LED quantity: 450 pcs of super bright LED, 120 degree light angle, lumen:1800lm, Color temperature: 6000-6500K, **28W** life: 100000 hours
[with wireless remote dimmer control](#)

LS-LEDPANEL-300x600-WW

Super bright LED panel light, size is 600*600mm, white, input voltage:100V-240V/50Hz/60Hz, LED quantity: 450 pcs of super bright LED, 120 degree light angle, lumen:1800lm, Color temperature: 2700-3300K, **28W** life: 100000 hours
[with wireless remote dimmer control](#)

LS-LEDPANEL-300x300-W

Super bright LED panel light, size is 300*300mm, white, input voltage:100V-240V/50Hz/60Hz, LED quantity: 450 pcs of super bright LED, 120 degree light angle, lumen:900lm, Color temperature: 6000-6500K, **14W** life: 100000 hours
[with wireless remote dimmer control](#)

LS-LEDPANEL-300x300-WW

Super bright LED panel light, size is 300*300mm, white, input voltage:100V-240V/50Hz/60Hz, LED quantity: 450 pcs of super bright LED, 120 degree light angle, lumen:900lm, Color temperature: 2700-3300K, **14W** life: 100000 hours
[with wireless remote dimmer control](#)

LS-SMDPANEL-600x600-W

Super bright LED panel light, size is 600*600mm, white, input voltage:100V-240V/50Hz/60Hz, LED quantity: 900 pcs of super bright SMD, 120 degree light angle, lumen:3600lm, Color temperature: 6000-6500K, **56W** life: 100000 hours
with wireless remote dimmer control

LS-SMDPANEL-600x600-WW

Super bright LED panel light, size is 600*600mm, white, input voltage:100V-240V/50Hz/60Hz, LED quantity: 900 pcs of super bright SMD, 120 degree light angle, lumen:3400lm, Color temperature: 2700-3300K, **56W** life: 100000 hours
with wireless remote dimmer control

LS-SMDPANEL-300x600-W

Super bright LED panel light, size is 300*600mm, white, input voltage:100V-240V/50Hz/60Hz, LED quantity: 450 pcs of super bright SMD, 120 degree light angle, lumen:1800lm, Color temperature: 2700-3300K, **28W** life: 100000 hours
with wireless remote dimmer control

LS-SMDPANEL-300x600-WW

Super bright SMD panel light, size is 300*600mm, white, input voltage:100V-240V/50Hz/60Hz, LED quantity: 450 pcs of super bright SMD, 120 degree light angle, lumen:1650lm, Color temperature: 2700-3300K, **28W** life: 100000 hours
with wireless remote dimmer control

LS-SMDPANEL-300x300-W

Super bright SMD panel light, size is 300*300mm, white, input voltage:100V-240V/50Hz/60Hz, LED quantity: 225 pcs of super bright SMD, 120 degree light angle, lumen:900lm, Color temperature: 6000-6500K, **14W** life: 100000 hours
[with wireless remote dimmer control](#)

LS-SMDPANEL-300x300-WW

Super bright SMD panel light, size is 300*300mm, white, input voltage:100V-240V/50Hz/60Hz, LED quantity: 225 pcs of super bright SMD, 120 degree light angle, lumen:860lm, Color temperature: 2700-3300K, **14W** life: 100000 hours
[with wireless remote dimmer control](#)

LS-SMDPANEL-600x600-W4

Super bright LED panel light, size is 600*600mm, white, input voltage:100V-240V/50Hz/60Hz, LED quantity: 900 pcs of super bright SMD, 120 degree light angle, lumen:3600lm, Color temperature: 6000-6500K, **56W** life: 100000 hours
[with wireless remote dimmer control](#)

LS-SMDPANEL-600x600-WW4

Super bright LED panel light, size is 600*600mm, white, input voltage:100V-240V/50Hz/60Hz, LED quantity: 900 pcs of super bright SMD, 120 degree light angle, lumen:3400lm, Color temperature: 2700-3300K, **56W** life: 100000 hours
with wireless remote dimmer control
